

Double Your Dollars! Ask About Having Your Gift Matched By Your Employer!

Many companies will match their employees' and retired employees' charitable gifts. It is a great way to maximize the impact of your gift, while tapping into your employer's desire to invest in their communities. The process takes only a few moments, and your efforts are most appreciated!

To have your Bishop's Appeal gift matched, follow these steps:

1. Inquire with your Human Resources Office about Matching Gift programs.
2. Obtain a Matching Gift Form from your employer.
3. Fill it out completely.
4. Mail your Matching Gift Form to the Development and Stewardship Office, 40 North Main Avenue, Albany, N.Y. 12203.
5. The Development and Stewardship Office will fill in the Charitable Organization portion of the form, submit it to your company, and then notify you when your gift is successfully matched by your company. Matching gifts are credited to your parish's Bishop's Appeal total.
