Vocations Office

The Vocations Office encourages, informs, and invites men and women to discern priesthood and religious life by providing discernment and educational opportunities.

In 2009, the Office of Vocations ensured that:

- ❖ 11 seminarians grew in faith and ability during their academic and pastoral studies
- ❖ 500 high school and college students were given the opportunity to learn more about priesthood and religious life through various programs
- ❖ 12 discernment opportunities were provided throughout the diocese for men and women, ages 15-55.

The Vocations Office is funded completely by gifts made to the Bishop's Appeal. Will you assist us in our mission and work? Please share your gifts generously.
